<b>Total</b>	<b>13</b>	<b>57</b>

# Reporting

## INTERNATIONAL

According to the call procedures the **International reporting requirements** are:

- a **mid-term report** including a summary in English to the JPI Oceans Secretariat and LEAD AGENCY (MUR) in English, within 3 months after the mid-term.
- a **final report** to the JPI Oceans Secretariat and LEAD AGENCY (MUR), in English, within 3 months after the end date.

## NATIONAL

All project partners need to **report to their national Funding Agency** in accordance with the relevant national rules of each country.

# Monitoring meetings

The JPI Oceans Secretariat together with the Project's principal investigators, will organize these three meetings

1. the **kick off** meeting to explain objectives and expected results;
2. the **mid term** meeting (approx. June 2024) to present and discuss the mid-term reports, preliminary results, and future works;
3. a **joint final** meeting (approx. Oct 2025) to present and disseminate results and main outcomes.

**Thank you for  
your attention**
